## No Accord Seen In Saigon Crisis

SAIGON (AP) — Maj. Gen. Nguyen Khanh failed today to convince fellow members of the ruling revolutionary military council that they should quit politics to prevent new elections.

We are not even close to a decision, said Khanh. Tran Thien Khanh, one of the most powerful officers of the South Vietnamese army, said today that he would not leave politics to prevent new elections.

He appeared tired and tense. Speaking animatedly in Vietnamese and English, he said the situation is very serious.

We must do something, he said. We must take time to think about it. The subject is so important we have to be very careful so we meet again tomorrow and then we will see what results.

But Khanh refused to say whether he would take time to think about it. He said the subject is so important we have to be very careful so we meet again tomorrow and then we will see what results.

## Leaders Of Turkish-Cypriot Claims More Greek Landings

NICOSIA (AP) — Turkish-Cypriot leader Nicos Kuchuk said today that Greece has landed more military supplies on Cyprus. He said the Greek government had received assurances from the United Nations that the Greek army would not be allowed to land on Cyprus.

The spokesman said the latest shipment, including 200 soldiers, landed at Limassol Aug. 24.

Turkish-Cypriots claim there are 7,000 regular Greek troops on Cyprus.

Kuchuk said the shipments were "a flagrant violation" of the UN Security Council resolution calling on both sides to refrain from an action which tends to worsen the situation on the divided island.

ATHENS (Reuters) — Cyprus pursuit of a bilateral defense agreement between Cyprus and Russia was reported to have been headed off today following a four-hour meeting Tuesday.

## Suspended Securities Chief Says He Did Nothing Wrong

TORONTO (CP) — John H. Campbell, suspended as director of the Ontario Securities Commission following disclosure of a possible conflict of interest involving a mining company, the OCS is investigating, said today he did nothing "illegal, immoral or unethical."

KILSO ROBERTS  
... "I'm shocked"

"I think it will be cleared up," he said.

Mr. Campbell, 50, was suspended Tuesday by Attorney General Arthur Wishart, who said he feels the evidence is "pretty strong" that there was a conflict of interest.

Mr. Campbell said his suspension was based on evidence he himself gave the commission. He did not specify what the information was, but said it was about Windfall Oils and Mines Ltd.

The price of Windfall shares rose to \$3.80 from 56 cents in July on rumors of a firm find near Timmins, then collapsed after it was announced no ore was found on its property.

Several investigations, including a one-man royal commission, are under way because of the stock's performance.

"SHOCKED"

TORONTO (CP) — Kelso Roberts, Ontario's minister of lands and forests, said today he is "shocked" at the suspension of John H. Campbell, a director of the Ontario Securities Commission.

He said it is "unthinkable that anyone in that sort of position should be involved in such a thing," and suggested the government will have to look at preventive legislation.

Alan Howard, vice-president of the group, said the ship will eventually rest in a concrete berth at the east end of the Canadian National Exhibition grounds.

## Cleo Leaves 64 Killed And Heads Toward Keys

MIAMI, Fla. (AP) — Hurricane Cleo, with at least 64 dead in her wake, threatened today to strike the Florida Keys. The storm, which hit 140 miles an hour over Haiti, dropped to 75 over Cuba.

A Cuban weather bureau forecast monitored in Miami said the hurricane was expected to move off the north Cuban coast near Cienfuegos, a city 180 miles south-southeast of the middle Florida Keys.

The hurricane, which killed at least 14 on the island of Guadeloupe and an estimated 50 in the mountain of Haiti, moved into Cuba Tuesday afternoon.

## Tories Step Up New Drive To Break Deadlock On Flag

OTTAWA (CP) — Conservative MPs are stepping up their new campaign in the Commons to persuade the government to refer the flag issue to a special parliamentary committee in an effort to break the summer-long deadlock.

As the House plodded through its 14th sitting day on the maple leaf flag resolution Tuesday, Conservative after Conservative argued that a small all-party committee would cool off the steamy debate.

"If the House agrees," said Reynolds Rapp (PC — Humboldt-Melfort-Tisdale), "a compromise would be reached. There could be set up a committee composed of representatives of all parties."

"... The committee should be empowered to recommend a flag and have it approved by the House."

If the committee failed to agree unanimously on a flag design, the issue should be taken to the people in a national plebiscite.

The committee proposal was first aired last week by Opposition Leader Diefenbaker. He suggested that a 15-man committee should be able to find a solution to the flag impasse if it were given about two months.

Prime Minister Pearson and leaders of the three small parties generally agreed with the idea, but held that a definite debating limit should be tied in to ensure a vote on the issue.

A total of 122 speeches have been made so far in the debate, 56 of them on a Conservative sub-amendment for a plebiscite. The Conservatives have made 79 speeches, many of them speaking twice, and 27 Liberal MPs have spoken. The splinter parties have put up 16 speakers.

## Top Criminal Captured In Montreal

MONTREAL (CP) — Adolphe Krachsky, alias Maurice Deschamps, Canada's most wanted criminal, was captured today as he slipped a cup of tea in a madhouse St. Hubert Street apartment.

Working on a tip, an armed four-man Montreal police squad burst into Krachsky's apartment at 8:30 a.m. and made the arrest without incident.

The 46-year-old Krachsky escaped from Kingston Penitentiary last April 18, where he was serving a life sentence for armed robbery.

Only last week, the RCMP reported, he had been seen in British Columbia in the company of Georges Lemay, a Montreal lawyer, with another armed robbery. Lemay had been listed by the RCMP as the second most wanted criminal before Krachsky's arrest.

Police said a person, whom they declined to identify, informed them he had seen a person resembling Krachsky in the apartment block. The person said they recognized him from pictures published in a magazine.

He was chosen to succeed Togliatti at a meeting of the party's central committee. The meeting followed by a day of massive show of party strength at Togliatti's funeral.

Communist sources estimated that 1,000,000 persons crowded the streets of Rome Tuesday for the funeral procession of Togliatti, 71, who died while on vacation in the Russian Crimea last week.

## Eight U.S. Nazis Arrested For Atlantic City Outburst

ATLANTIC CITY (AP) — Eight members of the American Nazi party were given 90-day suspended sentences and ordered out of town today on charges resulting from a disturbance in front of Convention hall Monday.

The Storm Troopers, still in the uniforms and red swastika arm bands they wore when arrested, lined up in military fashion before Municipal Judge F. Frederick Perone.

They pleaded guilty to charges of participating in a disturbing assembly and also molesting and interfering. They pleaded not guilty to a charge of failure to give a good account of themselves. Judge Perone ordered the men to leave town by 2 p.m. "and never return."

The eight men, from Arlington, Va., and followers of George Lincoln Rockwell but Rockwell was not with them.

They caused a disturbance Monday afternoon when they marched on the boardwalk in front of Convention hall, site of the Democratic national convention, with signs reading "President Johnson is a traitor."

## Ban On Salisbury Newspaper Spurs Protest By Students

SALISBURY (Reuters) — Some 50 white and African university students today were arrested for demonstrating outside the Southern Rhodesian Parliament buildings.

The students were demonstrating against a government motion to ban The Daily News, one of Salisbury's two daily newspapers.

The protest came as Parliament debated the motion.

The Daily News, with a circulation of 15,000—mostly Africans—supports African nationalism. It is owned by the group controlled by Lord Thomson, Canadian-born British newspaper magnate.

The motion was presented Tuesday by Desmond Lardner-Burke, minister of law and order, under the Law and Order Maintenance Act which provides for a banning order where a publication is held to be contrary to the interests of public safety or security.

Sir Roy Welensky, leader of the opposition Rhodesia Party, said the ban "could have serious repercussions."

## Increase In Traffic Accidents May Up B.C. Insurance Rate

VANCOUVER (CP) — British Columbia motorists can expect a general increase in automobile insurance rates next year, a spokesman for insurance companies said Tuesday.

The spokesman, who declined to be identified, said that in addition to a sudden increase in the number of traffic mishaps, insurance companies face rising costs of car replacement, repairs, hospitalization and wages lost through injury.

The spokesman would not predict how large the increase would be.

The increase for drivers with accident-free records would be less than for those with recent accidents.

Car insurance rates in 1964 increased an average of seven per cent.

## Red Ensign Supporters Strengthened in Fight

OTTAWA (CP) — Conservative party supporters of the Red Ensign have strengthened their determination to fight to retain the flag on the grounds of reports on Parliament Hill that the current flag debate might collapse in a week.

Leaders of the Conservatives adopted a "we're just getting started" attitude to the reports. They apparently stemmed from an announcement Monday that the Speaker of the Commons and Senate and the leaders of the three minority parties in the Commons were to leave Sept. 10 on a trip to Russia and Czechoslovakia.

Prime Minister Pearson indicated in the Commons Tuesday that the trip probably would have to be postponed because the Commons would be in session next week.

The Conservatives said they see no end to the debate in the Commons and no way out of the parliamentary impasse unless the government either drops its flag proposal or sends it to a parliamentary committee to be decided at leisure.

The government, showing its determination to have Parliament adopt a national flag with three red maple leaves, the white background with the vertical borders has scheduled the flag debate for every day this week except Friday, when departmental appointments will be made.

Conservative strategists argue that ultimately the government will be forced to make some change in its program in order to bring other important matters before Parliament.

**SUPPORT FOR TORY FIGHT**

Conservative MP's representing Ontario and Prairie ratings report their recent mail has

leaned towards stronger defence of the Union Jack and the Red Ensign, and support for the Conservative fight to retain them.

Earlier, the Conservatives say, they were getting some criticism of their debate tactics, but that criticism now has lessened.

The Conservatives also have been heartened by the declared intention of one government backbencher, Ralph Cousens (N.Y.-York - House), to make a full-dress speech in support of the Red Ensign on every amendment presented in the flag debate. The Conservatives are prepared to move immediate amendments.

## Fisher's Sizzling Bat Puts Royals in Lead

Hitting a pair of two-run home runs, second baseman Joe Fisher led the Royals to a 3-0 lead over the Athletics in the first inning of the game.

**SECOND INNING**  
Three more runs were added in the seventh. Boris Katochov opened with a Texas Leagueer into shallow right field. After Bullock popped out, Fisher batted a two-run home run.

**OPENING**  
The winners counted first in the fourth. Two errors were contributing factors. Ed Smith was safe when shortstop Gus Luskowsky's throw pulled Russ Evans off first. Nick Bullock forced Smith at second but Bob Grubbs' throw to first for the double play, went wide and Bullock was safe.

**CATCH FIRE**  
Fogarty going into the bottom half of the eighth, Smith came alive and scored three times. Hansen, who had given the Royals a lead, was hit by a pitch.

was hit for successive singles by Roy Hawkins and Jack Leiter. Jim Sausel forced Hawkins at third and with two out Luskowsky drove a three-run shot out of the stadium in straightaway center. Opening the inning Bullock made a fine running grab of Mickey Krochinsky's hit for a base hit.

**WIND UP**  
Smith's Norbert Korthals wrapped up the scoring in the final inning with a solo circuit about Arnie Hath relieved Hansen and retired the side, giving up a harmless single to Krochinsky.

The wind, at the better's back, was a boon to them and a plague to the hurlers all night. Next game in the series goes Thursday night at 6:30 in King's Stadium. The third game, if necessary, will be played sometime next week after the week-end B.C. interior playoffs here.

## Perennial Loser Stops Giants While Reds Take Over Second

**By BOB GREEN**  
Associated Press Sports Writer  
Howie Reed doesn't win often. In fact, his pitching victories are so well spaced out he might even pass for a Met.

But when the 27-year-old right-hander does get around to winning one, he does it in convincing fashion, and he makes the hitting hurt.  
Reed, who hadn't won in the majors since 1958, got around to it again Tuesday night. He fashioned a six-hitter, with ninth-inning help, for Los Angeles Dodgers and beat San Francisco's struggling Giants 3-1.

The loss dropped the Giants into third place and left them six games behind National League leader Philadelphia Phillies, a deficit that becomes more imposing each day.  
Cincinnati Reds took over second place, rapping New York Mets 7-2 behind the six-hit pitching of Bob Purkey while Philadelphia took a 7-5 licking from Milwaukee for the Braves' second straight win over the league leaders.

**IN TOP FORM**  
Reed, whose last major league triumph was a 2-1 decision over Chicago White Sox while pitching with Kansas City Sept. 23, 1958, was in top form against the Giants.  
He allowed only five hits through the first seven innings, gave up another in the eighth, then weakened in the ninth. With one out, he issued walks to Chuck Hiller and Matty Alou.

Reed's home before Purkey got anyone out, but he shut them out the rest of the way. Frank Robinson doubled in two runs and Deron Johnson doubled in three more for all the winning room Purkey needed.  
The Braves built an early lead on homers by Eddie Mathews and Lee Maye, then held off Philadelphia's late rush. Braves right-hander Tony Cloninger held the Phillies to three hits over the first seven innings, but the Phils chased him in the eighth, scoring three runs on two singles, a fielder's choice and Johnny Callison's homer.  
St. Louis blew a 4-0 lead, then came from behind 6-5 before Brock settled their long struggle with Pittsburgh with his homer. Smokey Burgess drove in two Pittsburgh runs with a pinch single in the top of the 12th, but the Cards matched them in the bottom of the inning.

Bob Aspromonte drove in one run with a double, another with a sacrifice fly and scored a third as Houston jumped on rookie John Flavin for five runs in the first 2-1-3 innings, then held on against the Cubs.

## Maybe Canada Not Destined To Get Those Winter Games

**By JACK SULLIVAN**  
Canadian Press Sports Editor

When Canada's bid to stage the 1968 Winter Olympic Games was defeated at a closed meeting of the International Olympic Committee at Innsbruck, Austria, last January, some people put the rap—off the record—on Sidney Dawes. They felt this Montreal industrialist, Canada's IOC member since 1947, probably hadn't lobbied vigorously enough.

But, possibly, Canada wasn't destined to get the Games. It was only a 50-50 chance and Grenoble, France, won out by a two-vote margin over Banff-Lake Louise.

Some Canadians overlooked the fact that this country's chances received a serious setback a few months earlier when the unpredictable IOC awarded Mexico City the 1968 Summer Olympics over heavily favored France and the U.S. Up to this point, Canada's chances of getting the Games were about 85 to 15.

The odds against Banff tumbled for one reason: European countries would be faced with the problem of raising huge sums to send teams on two long hauls in one year to North America. Mexico in the summer, Banff a few months later. Two-thirds of the competing countries in Winter Olympics are European and it is likely they would vote for France.

The balloting is secret and no one on the outside can say for sure just what happened.  
But immediately the vote was announced and the Calgary Olympic Development Association officials who sponsored the Banff-Lake Louise bid declared

### "Confident" Venturi Favored To Capture World Golf Classic

**BIRMINGHAM, Mich. (AP)—**Arnold Palmer has the putting "yips", Jack Nicklaus has a crook in his elbow, and Ken Venturi has nothing but confidence and an uncanny feeling for the flag.

So Venturi, the reigning National Open champion, will be favored when 155 golfers from 14 nations tee off Thursday in the first \$200,000 World Championship.

First prize in the 72-hole, four-day test is \$55,000.  
Venturi's confidence has been swelling ever since he won the National Open last June in Washington.

He won the American Golf Classic at Akron, Ohio, last week by a record five shots and with a record tournament score of 275.

**GOES SEVEN UNDER**  
Tuning up for the event here over the 6,907-yard, par 70 Oakland Hills course he had four straight birdies on the front nine for a four-under-par 31, then birdied the 11th and eagled the 566-yard 12th to go seven under.

"I started thinking that this was just a practice run, and I didn't want to get a monkey on my back before the tournament started," Ken said. "So I stuffed off a few holes and finished with about 67."

"I am playing so well, I am so sure of myself on shots to the green that it startles me," Palmer, who has had four second places and two thirds in his last six tournaments, continued to experiment with heat up, lead-headed putters without finding a satisfactory one.

"From five feet in, I used to never miss a putt," Palmer said. "Now I miss them, and it's costing me."

Nicklaus, also benten out in recent tournaments although he continues as the year's leading money winner, thinks he has found the reason for his erratic driving.

"I was crooking my left arm," he said. "I even noticed that my divots were hooking."

The tournament brings together 48 handpicked golfers from 14 countries outside the United States who had to survive qualifying tests.

Outstanding foreign threats are Gary Player of South Africa, Bob Charles of New Zealand and Peter Thomson and Kel Nagle of Australia.

Nineteen ex-Professional Golfers' Association and 11 former U.S. Open champions are in the field, including Ben Hogan, who won the third of his four Opens over the same course back in 1951.

**BASEBALL STARS**  
**Batting** — Lou Brock, Cardinals, hit 13th-inning homer that brought St. Louis a 7-6 verdict over Pittsburgh Pirates.

**Pitching** — Juan Pizarro, White Sox, shut out Minnesota Twins 1-0 on five hits, pitching Chicago to within one game of the American League lead.

**PLAYERS NAMED**  
**MONTREAL (CP)** — Four players from Western Canada were among those named today to the Canadian all-star team that will compete Sept. 3-19 in the world junior baseball championships in Havana, Cuba. First baseman Jack Elmer, second baseman Jim Rutherford, both of Calgary, and Winnipeg pitchers Bob Davidson and Dave Grove all made the team.

ONE OF WORLD'S SPEEDIEST TO RUN

Fastest runner in the world is now many experts feel about Harry Jerome of North Vancouver, member of the world's 100-yard and 200-yard records. Jerome, 23, will be seen in action Sept. 19 at the big International Olympic Preview track and field meet along with outstanding

Olympic members from Canada, West Germany, Jamaica and the U.S. Jerome recently won the 100-yard title at the N.A.A.U. championships at Eugene, Ore., in April, setting a new world record of 10.1 seconds, one-tenth of a second off his world record. On the basis of times this year, Jerome would be ranked the world's number

one man over 100 metres. He has run 21.1 seconds twice in Canada outdoors since 1959. He holds every Canadian record in the 100 and 200 metres. He recently graduated from the University of Oregon in Physical Education. — (Bill Cunningham Photo)

## With A Hurdle Over His Shoulder Ken Pedlar Sets Out For Training

EDMONTON (CP) — Ken Pedlar, 18, has his sights on a berth on Canada's 1968 Olympic squad.

Alone he swings through a break set of exercises, wind sprints and practice jumps over the hurdle.

Hardly off the ground floor as a track competitor, Pedlar, 18, has his sights on a berth on Canada's 1968 Olympic squad.

If he is to achieve the goal, Ken must surmount a leg injury that kept him out of sports almost a year, a physical disability that restricts his breathing, and boredom, the constant danger of athletes who train alone.

He must also try to squeeze practice sessions into the time left after his job with an equipment rental firm, playing trombone twice a week with a Salvation Army band (his father, Col. William Pedlar, is director of the Alberta division of the Salvation Army), and, during the university term, studies in the pre-law faculty.

## Bears Trade Chadwick

BUFFALO, N.Y. (AP)—Buffalo Bisons, who finished last in the Western Division of the American Hockey League, have obtained goalie Ed Chadwick from Hershey Bears.

Chadwick was purchased Tuesday for an undisclosed sum by the Bisons' parent team, Chicago Black Hawks of the National Hockey League.

Chadwick, 31, spent two full seasons and portions of three others in the NHL with Toronto and Boston.

In the AHL, he played two games with Buffalo 10 years ago as an emergency replacement, three games with Pittsburgh, two seasons at Rochester and two at Hershey.

Roy Edwards and Cesare Maniago shared goal-tending duties for the Bisons last season.

## Pakistanis Kill Indian Soldiers

4,000 CHICKENS DIE

SURREY (CP)—Four thousand chickens died Wednesday in a fire which destroyed a large chicken house on a North Surrey egg farm owned by William Vanderpol. He placed the damage at \$10,000, partly covered by insurance. Cause of the blaze was not determined immediately.

COLE A SURPRISE

It was hard to see, for example, why Montreal negotiated the trade with Winnipeg which brought Alouettes Vernon Cole, a rusty rookie quarterback. Cole had been an understudy with the Bombers in 1960 and had played no serious football in three subsequent years with the U.S. Air Force.

But in Montreal's first two games, Cole displayed poise and skill in maneuvering for the defeat of Hamilton and toppling Toronto Argonauts 21-13.

A trade with Toronto which sent Don Paquette to Argos

brought Montreal Jerry Philip, who scored a touchdown against his old club, and an unexpected bonus in Chuck Wood, who has played standout ball on the Montreal defensive line.

The clue to the early success of Montreal, however, lies less in the manner in which unspectacular trades have paid off than in the display of drive and toughness by an inspired defence and opportunistic offence.

Insiders agree that the invigoration of Montreal Alouettes is due primarily to the rebuilding job of coach Jim Trimble, hired from Hamilton for 1963.

Jungle Jim quietly proceeded to discard Alouettes he felt swinging the lead under the protection of fat contracts. In training camp, he drove his players hard and came up with a tough crew resolved to win.

## BROWNS PIN HOPES ON VETERAN TRADE ROOKIE PLACE KICKER

CLEVELAND (AP)—There were 28 seconds remaining on the clock, Lou Groza of Cleveland calmly lined up his field goal attempt with the Browns trailing the Los Angeles Rams 20-21 in the National Football League championship game.

As Groza approached the ball, on the sidelines the Browns already were heaving their helmets in the air in a sign of victory.

That was 19 years ago and Groza justified the confidence, making the winning field goal.

Monday the Browns once again expressed their confidence in Groza, 47, now a veteran of 18 professional football seasons by trading rookie kicking specialist Dick Van Raaphorst to Dallas Cowboys

for an undisclosed draft choice.

There had been speculation that Van Raaphorst, an Ohio State graduate, tutored by Groza, would replace his teacher as the Browns place kicker.

"I feel good this year and will play as long as I can," said Groza.

The lifetime leading scorer in the NFL, Groza leads eight league records.

Groza will be shooting at the 100-point mark in his NFL career this season. He has scored 967 points on 116 field goals, 435 extra points and one touchdown.

The touchdown came on a pass from Otto Graham in 1946 on a place outwaded tackle eligible play.

## San Diego Ease Into Brief Tie For PCL Western Lead

The Portland Beavers lost a hair Sunday, then back to their Pacific Coast League's Midway, how is out again by Western Division. Leadership had a game, despite losing to Tuesday night, then gained it back with a 4-1 and 13 double back without even putting on their uniforms.

While the Beavers sat idle because Spokane couldn't get to Portland from Hawaii on an airplane, San Diego Padres eased into a tie for the lead by dumping Tacoma 8-2.

Then, in the second game win, Tacoma's veteran Southpaw Ken Mackenzie shut out the Padres 2-0 and the Beavers again were back on top one-half game ahead of San Diego.

In the Eastern Division, the Seattle Rainiers edged the Los Angeles Angels 3-2 Sunday, but the Angels were back on top one-half game ahead of Seattle.

## Outlawing Of Clay-Liston Bout Backed By WBA Majority So Far

NORFOLK, Va. (AP)—A majority of the early arrivals at the World Boxing Association convention this week favor outlawing the proposed Liston-Clay rematch.

Pre-convention talks with delegates also indicate there will be a floor fight over the WBA's suspension of Sonny Liston after he lost the world heavyweight boxing title to Cassius Clay.

James E. Deskin, executive secretary of the Nevada State Athletic Commission, said Tuesday he plans to take the floor at the convention Thursday and challenge the WBA's suspension of Liston.

He added: "I favor reinstatement of Liston to the WBA ratings but disapprove of the return bout with Clay. I feel Liston should be made to fight somebody else before he fights Clay again. Then Liston can prove that shoulder is good again."

Morris Klein, chairman of the Miami Beach Boxing Commission, said: "We had no reason to suspend Liston. We could prove nothing irregular. X-rays were taken of his left shoulder and eight physicians examined him."

Liston was suspended for not coming out of his corner at the beginning of the seventh round of his fight with Clay last February in Miami Beach. He complained of a shoulder injury.

A return match has been lined up for later this year but no date or site has been selected.

## Chicago Blanks Twins 1-0 On Southpaw's 5-Hitter

Juan Pizarro has been a potential Biggame winner since he started throwing rocks in Puerto Rico 11 years ago.

Manager Al Lopez is betting a World Series ticket that the Chicago White Sox left-hander makes the clinch this year.

Pizarro pitched Chicago to a win in a game of first place Tuesday night when he blanked Minnesota Twins 1-0 in a 10-inning thriller. The victory was No. 17, says in the American League for the 27-year-old pitcher and the slouch lowered his earned run average to a trim 2.00.

He has never been this close to the 20-victory mark before, though tagged "another Bob Feller" before he had thrown a pitch in anger in the major leagues.

Juan started the 1954 Winter League season as the San Juan, Puerto Rico, club's pitcher but wound up on the bench after he was discovered he could throw faster than the other players' pitchers could throw.

Two years later he was Milwaukee's place-filling pitcher, but got 315 batters for the Braves' Jacksonville club in the mid-South League. The Braves paid Pizarro \$25,000 for his contract but they never got a return on their investment.

Pizarro and the Milwaukee Braves suffered through four seasons with equally unimpressive results. The southpaw flopped each spring, was demoted to the minors, where he was virtually untestable, and finished each season in the Braves' bullpen.

Finally, in 1960, the Braves traded him to the White Sox and Lopez made his reclamation project No. 1. Pizarro has been a winner ever since.

He pitched in the American League Tuesday night, Cleveland.

JUAN PIZARRO ... says he is AL

11-4. Pizarro, 17-4, pitched out of a bases-loaded jam in the top of the ninth before the White Sox broke through Jerry Dick's six-inning hit until Jim Lenz had made in the bottom of the inning.

Sigman checked the Sox on off the ninth with a single. One out later, Floyd Robinson singled. Bill Sawers lined out before Ron Hansen broke it up with a run-scoring hit to left.

## BECOMES VICTORY CHANT TO MONTREAL FANS

## Alouette Now Sung With Feeling

By THE CANADIAN PRESS

Alouette, a sprightly folk song dedicated to a dirge by despairing Montreal football fans the last several seasons, has become once more a sprightly tune on the lips of sporting folk in Montreal.

The song of Montreal Alouettes of the Eastern Football Conference carries overtones of a victory chant since the team that almost everybody picked to finish near the bottom opened the season like champions. The real champions, Hamilton Tiger-Cats, were the first victims of the Alouettes, succumbing 33-3 in the season opener.

The experts who assigned Montreal to the EFC cellar in pre-season predictions are still trying to adjust to the reality that Alouettes are winning football games and looking good while they're at it.

JIM TRIMBLE ... hard driver

The winter manpower changes made in Montreal seemed to be minimal compared with the usual frantic recruitment programs of a perennial loser. The tried stars like galloping George Dixon remained, but newcomers were uninspiring on paper.

It was hard to see, for example, why Montreal negotiated the trade with Winnipeg which brought Alouettes Vernon Cole, a rusty rookie quarterback. Cole had been an understudy with the Bombers in 1960 and had played no serious football in three subsequent years with the U.S. Air Force.

But in Montreal's first two games, Cole displayed poise and skill in maneuvering for the defeat of Hamilton and toppling Toronto Argonauts 21-13.

A trade with Toronto which sent Don Paquette to Argos

brought Montreal Jerry Philip, who scored a touchdown against his old club, and an unexpected bonus in Chuck Wood, who has played standout ball on the Montreal defensive line.

The clue to the early success of Montreal, however, lies less in the manner in which unspectacular trades have paid off than in the display of drive and toughness by an inspired defence and opportunistic offence.

Insiders agree that the invigoration of Montreal Alouettes is due primarily to the rebuilding job of coach Jim Trimble, hired from Hamilton for 1963.

Jungle Jim quietly proceeded to discard Alouettes he felt swinging the lead under the protection of fat contracts. In training camp, he drove his players hard and came up with a tough crew resolved to win.
